Many dogs drink water too fast and this often causes them to regurgitate the water after drinking. The Drink Better dog bowl is specially designed to slow down the time dogs take to drink. The bowl regulates the flow of water through an adjustable floating obstacle, encouraging dog to drink at a healthier pace, and without soaking their ears and muzzles in the water.

- Encourages dog to develop a slower drinking pace.
- Prevents dogs from soaking their ears and muzzle.
- Minimizes the mess left by a sloppy drinker.
- Adjustable flow of water to suit most breeds.
- Sturdy non-skid design with rounded edges.
- Available in 3 vibrant colours pink, blue and white.
- Constructed of high-quality, durable, food grade, dishwasher safe plastic.

Capacity: 500ml Size: 22cm diameter

Many dogs have an unhealthy habit of eating too fast. They love to lap up all the food in a swift, sweeping motion and gobble down or "inhale" their food like a vacuum cleaner. They end up swallowing everything without much chewing, possibly leading to indigestion. The Eat Better bowl solves many problems associated with fast pace eating.

- **FINE SET UP:** Encourages dog to develop a healthier eating habit.
- **Improves absorption of nutrients through better digestion.**
- Reduces vomiting and bloating due to fast eating.
- 📢 Sturdy non-skid design with rounded edges.
- Available in 3 vibrant colours pink, blue and white.
- Sonstructed of high-quality, durable, food grade, dishwasher safe plastic.
- Available in 2 sizes: Petite - 500ml (22cm diameter) Jambo - 1500ml (31cm diameter)
